**DETAILED SUMMARY STATEMENT:**

The City owns the following vehicle that is no longer of use to City departments.

H0050 – 2013 International 7600/Vac-Con 1X312LHE Suction Truck

This unit has been in service for four years and accrued a high level of repairs and downtime which have triggered an early replacement. The replacement vehicle will be equipped with a different type of suction unit which is anticipated to provide higher reliability and reduced maintenance cost.

Based on previous and current sales, staff estimates a present value from \$150,000 to \$225,000 for this vehicle and recommends it be sold at Public Auction.

**RECOMMENDATION (Exact action requested of Council):**

Adopt a Resolution declaring vehicle No. H0050 surplus and authorizing its sale by public auction.

**RESOLUTION No. \_\_\_\_\_**

**A Resolution** declaring the listed vehicles and equipment surplus and authorizing their disposition.

**Whereas**, the City has a 2013 International 7600/Vac-Con 1X312LHE Suction Truck (#H0050) in its fleet; and

**Whereas**, the above-referenced equipment is no longer of value or use to the City; and

**Whereas**, Ordinance 2963-06 establishes a procedure and methods for surplusing or disposition of City-owned personal property; and

**Whereas**, based on the guidelines set forth in Section 2 of Ordinance 2963-06 a public auction is the disposition method that best meets the City's interests; and

**Whereas**, the City's purchasing manager has reported the basis for the estimated value of the surplus property and has recommended surplusing the above-referenced vehicles and equipment by public auction.

**NOW, THEREFORE, it is hereby resolved by the City Council of the City of Everett:**

1. The 2013 International 7600/Vac-Con 1X312LHE Suction Truck (#H0050) is no longer of value or use to the City; and
2. The disposition of this equipment at a Public Auction is hereby authorized.
